ALTHOUGH they hit a wrong note with northern judges, Preston Barbershop Harmony quartet refused to throw in the towel and travelled for the national convention which started today.

For a poor performance in the regional final left them out in the cold for this year's national competition — trimmed down to the country's best 16 quartets.

But enthusiasm runs so

strongly in the harmony game that they are going to Leicester for the three-day competition just for the fun of it.

"We are going to join with the Liverpool Club for the chorus section of the competition, so that will

give us a chance to sing," said Mr Bernard Davis, secretary of the Preston group.

• Pictured before leaving for the convention are (from left) John Smith, Dave Mahon, Brian Jones and Bernard Davis.
