## RAZOR SHARP!

LEYLAND GUARDIAN JUN 30

THE members of the Preston Barbershop Harmony Club are well groomed when they turn out to sing at various local functions. With the finest attention to detail, Miss Barbara Sorton of Leyland makes sure the group are done up in their best bib and tucker.

Barbara, who lives in Lynton Avenue, has been looking after the group for several months now and along with Mrs. Beryl Keenan, whose husband Chris sings bass with the group, may one day form a ladies section to sing in the old barbershop style.

The club, established in 1974

and affiliated to the British Association of Barbershoppers, has members from all ages and from all walks of life.

Secretary and Treasurer, Mr. Bernard Davis, who lives in New Hall Lane, Preston, is kept very busy with enquiries and correspondence to the other 24 clubs in Great Britain, and with keeping track of the various invitations to sing locally.

From the eleven members who form the main chorus a quartet, known as "The Red Rose Four" was formed to create their own blend of

"Barbershop Quartet" singing, thus offering a variety at the Sing Outs.

Practice night is each Tuesday at the Holy Family Social Club, Ingol, and membership is open to anyone interested, young or old, so come along all you "Bathroom Baritones", Bernard will be delighted to welcome you. He can be reached on Preston 792240.
