Hon. Secretary

Carry on the good work

I SAW an article and photograph of the Preston Barbershop Club presenting yet another cheque for charity. The work these chaps do is tremendous and I was fortunate enough recently to see and hear them at the Charter Theatre, Preston, where they provided terrific entertainment for a very appreciative audience. Carry on the good work, you fellows — may you go from strength to strength.
— D. S. Forsyth, Worden Close, Leyland.
