Harmony singers boost appeal

The Preston Barbershop Harmony Club has given a boost to the Sally Moon Red Rose Heartbeat appeal, by staging a sponsored sing.

The 32 club members hit the high notes at St Teresa's

social club in Penwortham and raised £756 for the fund, which aims to buy specialised cardiac

equipment for hospitals in the North West.

The club, also known as the Red

Rose Chorus, last year celebrated its 10th anniversary as one of 50 members in the United Kingdom affiliated to the British Association of Barbershop Singers and since its formation the group has become very popular with singers from all over Preston and Leyland.

The Preston singers meet weekly in the music room at Penwortham Leisure Centre on Thursday evenings between 7.30pm and 10.00pm throughout the year, except August and all would-be harmonisers are invited to go along.

The group is pictured in their rehearsal rooms, with chairman Bill Thomas presenting Sally Moon with a cheque for the appeal.
