I FEEL A SONG COMIN' ON

I feel a song comin' on, and I'm warnin' ya,
It's a victorious happy and glorious, new new strain.
We feel a song comin' on, it's a melody
full of the laughter of children right after the rain
You'll hear a tuneful story ringin' thru' ya,
Love and glory halleluyah, now, now that my troubles
are gone,
Yes let those heavenly drums go on drumm'n,
Cos we feel a song comin' on,
We feel a song comin' on
