

# Barbershop men come to town

MORE than 2,000 barbershop singers and their families will be in Harrogate this weekend for the British Association of Barbershop Singers Annual Convention.

At the colourful jamboree to be staged at Harrogate Centre, the new 1986 Chorus and Quartet Champions will be chosen.

In addition to the British members, who will

come from 50 clubs spread over the length and breadth of the country, there will be many guests and visitors from the U.S.A., Canada, Sweden, Holland, Belgium and Germany.

Whilst the contests will not be open to the general public, shows tonight, tomorrow night and Sunday will have a limited number of seats available to the public.

Headlining the shows on Saturday and Sunday will be special guests from Denver, Colorado, the 1982 International Gold Medalist Quartet Classic Collection.

At midday on Sunday there will be a "Massed Sing" in the Valley Gardens, Harrogate.
