

THE VENTRILOQUIST. This 'handful' have just returned after a successful tour, entertaining the troops in Afghanistan - Not a lot of people know that!

A PLAY - 'Careless talk lets out vital secrets!' They should all do "time" after this performance!

"RELIEF" - 5 mins. break.

AND THERE'S MORE!

Please give a warm welcome to 'State Express'. Our 4 friends who help us so much with our singing each year, entertain you in 'Barber Shop' style.

THE MISSFITS (Shop soiled and reject dance formation team). We couldn't let a year go by without bringing out the dancing shoes!

Chief weight-watcher and Fairy Godmother for this exhibition of Fol-de-rols is Bro. Bryan Smith.

The Ugly sisters and Witch Doctors wish to remain anonymous.

"Good Evans!" It's Jack, our resident comperé and narrator, who will introduce our Show. (If you think he has put weight on, just shout "MY word you do look well", everytime he appears). Jack very kindly volunteered for his annual bout of uncontrolled babbling!

"Now for the Hit List" PROGRAMME.....

In a show of strength, the Old English Nighte Gang, fondly known as "The Red Nose Chorus" by our Musical Director, will attempt a few well known musical numbers in harmony style.

Our next bit of nonsense should take you back a bit, that is if Eddie Taylor remembers 'The Day'. You'll recognise Eddie, he was our W.M. last year. It seems he could only stand 1 year watching this Show, so he's back helping "Mad Carew" and his happy gang.
